MEMORANDUM FOR: Executive Director-Comptroller

THROUGH: Chairman, Fine Arts Commission

SUBJECT: [REDACTED] Supplemental Contract

25X1A5a1

REFERENCE: Action Memorandum No. A-364 dated 26 February 1964

1. This memorandum contains a recommendation for your approval. Such recommendation is contained in paragraph 5.

2. Action Memorandum No. A-364 approved a recommendation by the Fine Arts Commission to negotiate a contract directly with [REDACTED] for advisory service on specific problems bearing upon the decor and maintenance of the Headquarters Building. Your approval included a proviso that costs related thereto should not exceed \$3,000 in fiscal year 1964 and \$5,000 in fiscal year 1965.

3. A contract has been negotiated with [REDACTED] Incorporated, and nine specific task orders as approved by the Fine Arts Commission have been submitted to the Contractor. These nine task orders represent an obligation of \$6,400 not including travel expenses and per diem for the [REDACTED] representative. Travel expenses and per diem are estimated to be \$700. Therefore, of the \$8,000 limitation approximately \$7,100 have already been obligated.

4. Plans underway and projects being studied by the Fine Arts Commission indicate that the \$8,000 limitation should be raised in order to proceed with our redecoration program.
